BRP 1646	Go for ...Guitar! Volume 1 with CD: This collection of pieces may be used as an introduction to two part playing. The book contains two sections, in the first section the melody and bass alternate, meaning the finger and thumb do not play together making for optimum technical control. The second section introduces the use of the finger and thumb together. This volume is suitable for use in conjunction with most available guitar methods. Contains 13 play along tracks.	£13.95
BRP 1728	Go for ...Guitar! Volume 2 with CD: This second volume extends the range of two part playing by introducing fingered basses. Many of the pieces are preceded by exercises and scales. The styles are graded in ascending order of difficulty. A section is devoted to playing with a low D-string and attention is focused on playing in the second position. Chord accompaniments are also introduced, there are diagrams of these chords at the back of the book.	£13.95
